Appointed Officials:

City Administrator/City Clerk/Court Clerk: Kim Everley

Interim Police Chief: Brad Williams

Utility Superintendent: ~~Wil Rodriguez~~

City Attorney: ~~Jeff Bullins~~

Maintenance: John DeLaet

Public:

Trenton Gordine, Dave Wahl, Jim Schonherr

Agenda:

Maintenance Truck

Meeting called to order at 6:30 PM.

Mayor Meador told council about a truck with a crane. The boom crane will hoist 4,000 lbs. They could use this to lift the pumps at the lift stations. These pumps need to be serviced on occasion. There was discussion of how we currently have to hire out to have this done. The truck is on Purple Wave for \$13,500. It is a 2011 with 140,000 miles. V-10 with a winch.

John DeLaet presented the council with information of the high cost of building a truck to their specifications. It looks like it could run anywhere from \$30,000 - \$40,000 to build our own. Discussion followed.

The auction is set to end tomorrow morning. Hence the special meeting tonight.

Additional discussion followed.

Councilman Horton motioned to bid up to \$27,500 for the pickup with crane. He would like to make certain there is a maintenance plan set up and recorded. Placing older vehicles on Purple Wave. Councilman Weissenbach 2nd, motion passed 5-0.

Councilman Weissenbach motioned to adjourn. Councilwoman Jones 2nd, passed 5-0

Meeting ended at 6:50

Signed and Sealed by: _____
Administrator/City Clerk: Kim Everley, CMC
