

McLOUTH POLICE DEPARTMENT

MARCUS F. KOCH – CHIEF OF POLICE

June 19, 2018 – City Council Meeting

1. Recently, I conducted an inspection of all of our street and traffic signs in the city and compiled a very extensive list of signs that are in poor condition, missing or needing to be installed. I will be working on ordering and replacing signs over the next several weeks. I would like to be able to have everything completed by sometime in August – prior to the beginning of the new school year. Additionally, I am going to visit with the maintenance manager of the school district to recommend improving some of their signage prior to the beginning of the new school year.
2. We had another good Bar-B-Q Blowout event the weekend of June 2nd and 3rd with no law enforcement incidents or concerns.
 - A freak storm during the night produced some heavy winds causing some tent and canopy damage.
 - The annual Remembering Justin 5K run and walk on Saturday the 3rd brought out quite a few people. We provided traffic control and monitored the event for safety with no law enforcement incidents or concerns.
3. The department has been relatively busy: summer and additional traffic; some criminal incidents and subsequent investigations
4. Distribute May 2018 Activity Report and May Code Enforcement Report.
