TRAFFIC DIVERSION PROGRAM

PURPOSE: The Traffic Diversion Program is designed to address non-DUI prosecutions involving traffic offenses. We believe that by providing this rehabilitative legal opportunity for handling carefully selected traffic offenses, the offenders can become better citizens without sacrificing public safety or the general well-being of the community while making the most efficient use of limited judicial resources.

ACCEPTANCE IN THE Traffic Diversion Program IS A PRIVILEGE NOT A RIGHT.

ELIGIBILITY: The City Prosecutor has the discretion to grant or deny participation in the Traffic Diversion Program. The City Prosecutor will place a higher priority on the need to ensure public safety rather than the desires of the individual traffic offender. - ❖ Alcohol is a factor in the current Complaint.
- ❖ The current Complaint is for a speed in excess of 20 mph over the posted speed limit.
- ❖ The current Complaint is for a violation committed in a construction or school zone or involves a school bus or emergency vehicle.
